Calendar will be updated with specific dates as they are finalised

If you use a Google Calendar on your devices, you may view the OE's Google Calendar by opening Your Google Calendar on your PC, find Add Others Calendar and type in kesoeamembership@gmail.com. This should add the KESOE A dates to your existing google calendar without overwriting your own entries. Depending on your device you may switch any of your added calendars off and on. If you find you need a password, then send an email to the address quoted above.
